Subject to credit approval under Fidelity Bank's underwriting guidelines. Offer is good for new Equity Lines only. Rate is for Equity Lines with a loan-to-value of no more than 90%. To qualify for these rates, customer should also possess a Beacon Score of at least 630 and have a debt-to-income ratio of less than or equal to 45%. Rates may be higher for customers with low Beacon Scores. Certain other conditions and restrictions may apply. This offer is limited to owner-occupied, single family dwellings and is not valid for rental properties, cooperatives, mobile homes, residential lots, or speciality homes (log home, prefab home, underground solar home, etc.). Prime Rate is variable based on the Prime Rate published on the first day of each month in the Wall Street Journal. As of December 15, 2016, the Prime Rate is 3.75%.

¹ Minimum line size associated with this rate is \$100,000. Outstanding balances on your new line of credit during the first 12 months after loan closing date will be calculated at the introductory fixed rate as low as 2.75% APR which is 1.00% below the current standard rate of Prime + 0.00% (3.75% APR). After 12 months, your APR will revert to the standard variable APR of Prime + 0.00% (currently 3.75%) for the remaining life of the line. The maximum rate that can be charged is 18% or the maximum permitted by state law, whichever is less.

² There is no origination fee charged to open a Fidelity Bank Home Equity Line. Other fees may be charged at origination, closing or subsequent to closing, ranging from \$0 to \$1,500 and may vary. Property insurance and flood insurance where applicable, may be required.
