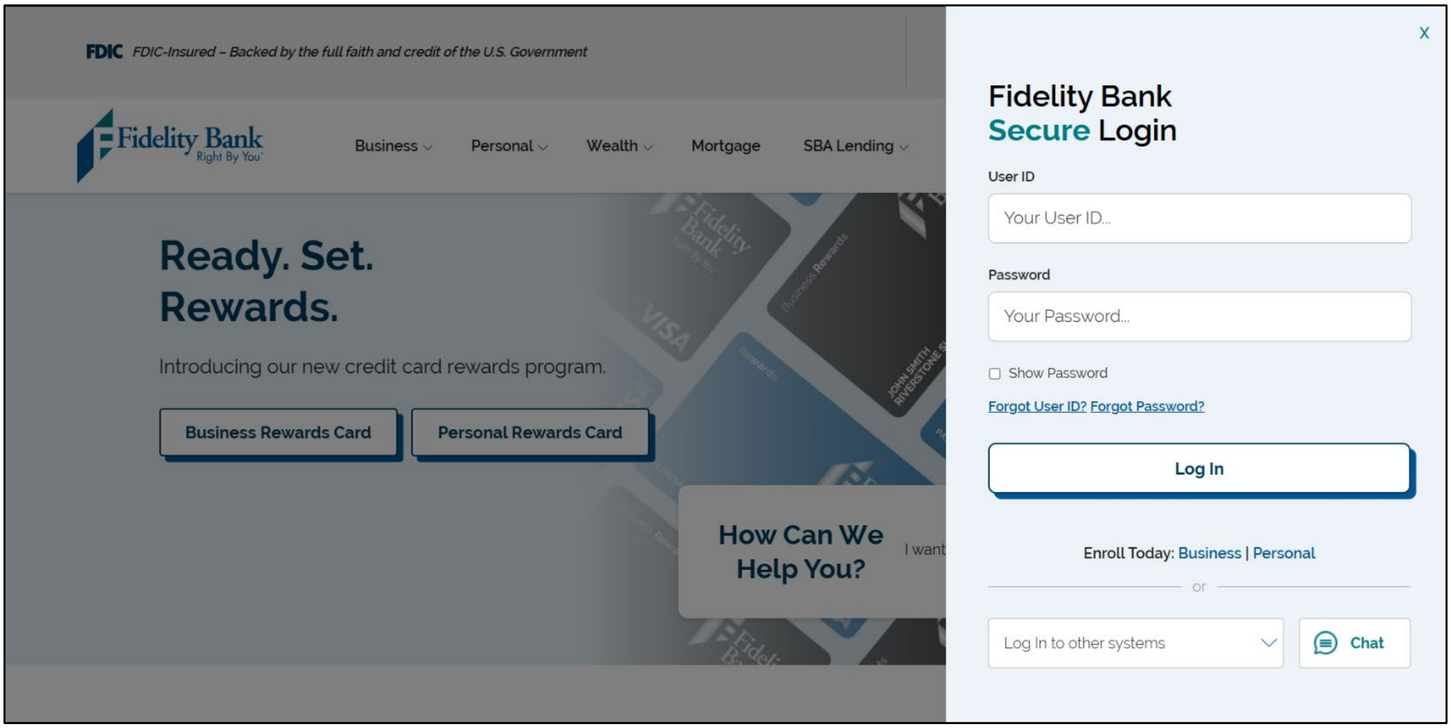
Pay & Get Paid
Funding Methods

The Level 1 user can view and manage funding methods for the business. First, log in to Fidelity Bank Online Banking from a computer or mobile device.

Note: the step-by-step instructions in the Pay & Get Paid Quick References Guides are taken from a desktop computer. The process is nearly identical from your mobile device.

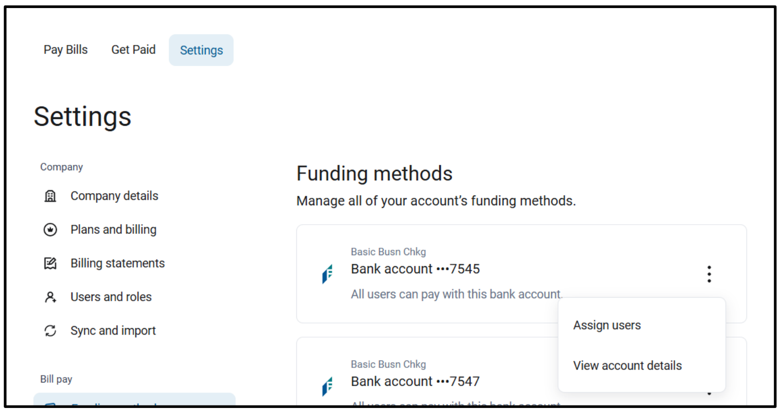


Then, select the **Pay & Get Paid** from the main navigation menu.

Once Pay & Get Paid loads, click **Settings** and then **Funding Methods** to view and manage the funding accounts for your business.

Funding Method Access

From the vertical ellipsis menu (⋮), you can view account details and assign users to a funding account. Funding accounts can also be assigned to individual users from the Users and Roles section of the Settings tab.



Add a Card

The Pay & Get Paid system allows you to add credit cards as a funding method. To add a credit card, select the **Add card** link in the Credit card section and enter the required card details.
