Today, we're excited to share that Affinity Bank, Newton Federal, and Fitness Bank will be joining the Fidelity Bank family. By bringing together these community banks that share a commitment to relationship banking and putting customers first, we're creating even more opportunities to serve you. We expect the transition to Fidelity Bank's systems to be completed during the fourth quarter of 2026. Over the coming weeks, our teams will work together to ensure a smooth and seamless transition.

As we come together, you can continue to count on the personalized service, trusted relationships, and local commitment you have come to expect. In the months ahead, you will gain access to expanded products and services, a broader network of branches, and enhanced digital banking capabilities. Most importantly, we're excited about what this opportunity means for our customers, employees, and the communities we're proud to serve, and look forward to welcoming you as part of the Fidelity Bank family.

At this time, there is nothing you need to do. You can continue banking as you always have, and we'll be right by you with the information, guidance, and support you need every step of the way.

Thank you for the trust you have placed in Affinity Bank, Newton Federal, and Fitness Bank over the years. We appreciate your business and are confident Fidelity Bank will continue to provide the exceptional service and personal attention you deserve. We look forward to serving you throughout this transition. To learn more about Fidelity Bank, please visit fidelitybanknc.com/about.

Sincerely,

Edward J. Cooney
